

U.S. Serial No. Unassigned
Docket No. DDI-0028-CON1

Remarks

By the present amendment, originally filed claims 1-35 have been cancelled and new claim 36 added. The newly added claim is presented to more clearly define the scope of the present application. Support for the new claim can be found throughout the specification and drawings. No new matter has been introduced.

The above amendment to the specification is made to identify prior patent applications relied upon for priority by the present continuation application.

Conclusion

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance and Applicants earnestly solicit early examination on the merits and issuance of a Notice of Allowance. Should the Examiner believe that any additional information or amendment is necessary to place the application in condition for allowance, he is urged to contact the undersigned Attorney via telephone at 408-956-4790.

The Commissioner is hereby authorized to charge any required fees due in connection with this submission, including petition and extension of time fees, and to credit any overpayment, to Deposit Account No. 10-0750 (Docket No. DDI-0028-CON1/MM) (Johnson & Johnson).

Respectfully submitted,
